

# ATTENDANCE RECORD

January 1, --- December 31, \_\_\_\_\_

- \$ Please place the names of the members in the appropriate area (**starting with yourself and listing the names in alphabetical order**) and record the number of hours each member attends. Include the name of the topic discussed in that session, along with the date.
- \$ Once the group has met for the last time for the year, **i.e. after December 31, 2002**, please complete and return the form to The Foundation's office. The form will be used to calculate study credit hours for each individual member. Once the attendance record is received, study credit letters will be issued to each **paid** member for distribution by the facilitator (**Please do not send the hours in after each session**).
